SunWize Expands Service to Dealers in Canada

Kingston, New York, April 16, 2004 - SunWize Technologies announces Mark Paddison recently joined the sales team as Sales Manager for Canada to service renewable energy dealers. Joanne Rogers, VP Residential Power, stated, "Mark is very qualified to provide technical and sales support. His twenty years of experience in the solar industry includes module production manager, technical support and ten years in marketing and sales in Canada." As a member of the Canadian Solar Industries Association (CanSIA), he served as an Executive Board Member and Association Treasurer. In the near future, SunWize will begin to accept payment in Canadian funds as part of the new program and a price list for Canadian dealers will be available as well.

To order a product catalog, contact Paddison at tel: 800-507-2585 (Canada), 877-207-5743 (US) or email: Mark.sunwize@pec.velocitynet.ca.

SunWize Technologies, a solar technology company, specializes in the design and manufacture of integrated solar power systems, and associated project development and product distribution. The company operates a manufacturing/distribution facility in Kingston, NY, a distribution centers in Oxnard and Willits, CA and twelve field offices.
