

12 volt, 110 watt RV Kit

270036

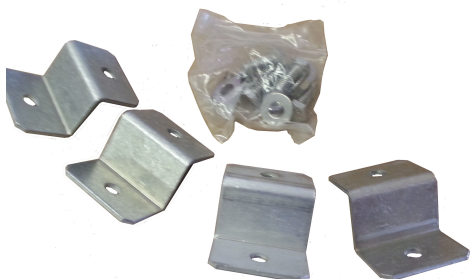

A SunWize Power & Battery RV Solar will give you the power you need to go anywhere you desire. Charge your batteries while enjoying the peaceful tranquility of a remote campsite or power up at a tailgate party. With the power of a SunWize Power & Battery RV solar system the choice is yours and the freedom is yours.

SunWize Power & Battery RV Solar Power Systems are designed for the most rugged climates. Solar modules withstand the summer desert heat and winter hail and still produce power day in and day out; year in and year out.

The SunWize Power 110W RV kit comes with a single 110 watt module, a flush mounting kit, a Specialty Concepts ASC-12/8 8 amp charge controller, an inline fuse kit and wiring.

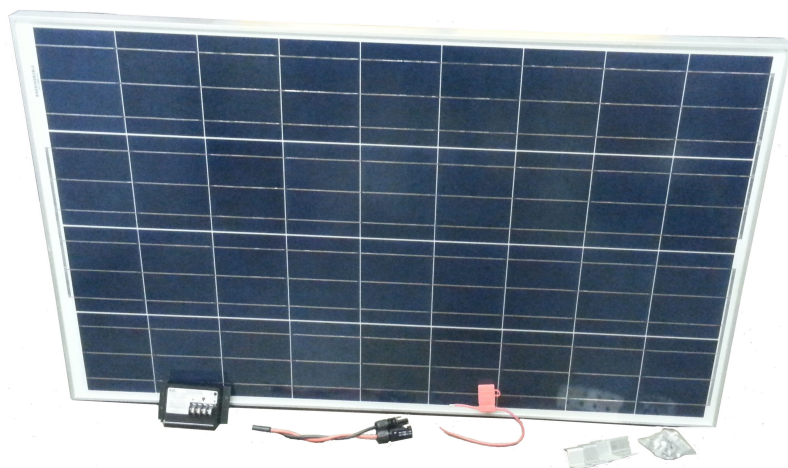

KEY FEATURES:

- Rugged, reliable system
- Quick and easy installation
- Universal single module flush mount kit
- All wiring included
- Poly-crystalline solar technology
- Modules carry a 25-year manufacturer warranty

WHAT IT WILL RUN:

- TV for 4 hours
- AM/FM stereo for 3 hours
- Water pump for 1 hour
- Four 15 watt lamps for 3 hours

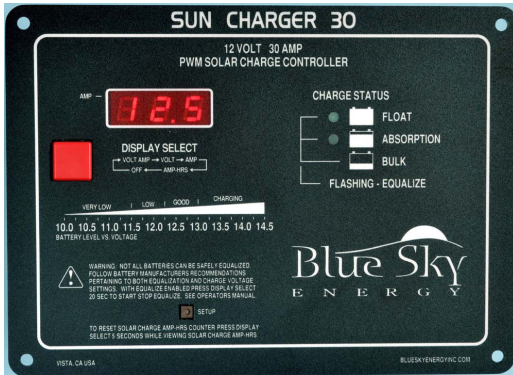

Technical Specifications
