

Timer Accessory for Power Ready Express Systems

230082

12 volt Timer

The timer accessory side plate features a Peltec fully programmable, 24-hour, 7-day, digital timer. The timer has a digital display that displays the current status of the timer and allows easy adjustment of the timer's programming.

The accessory side plate wires directly into an existing PRE Control Panel's load terminals, making it very easy to install.

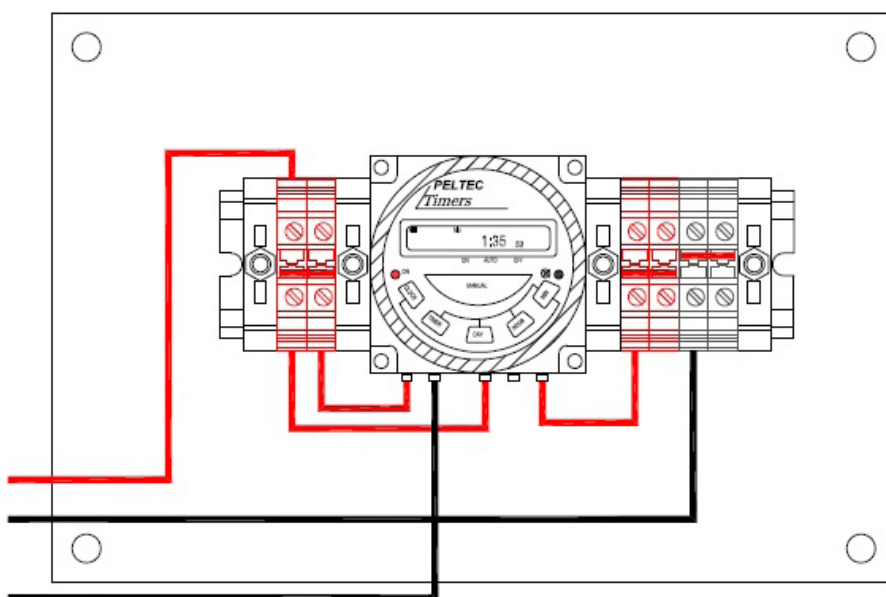

FEATURES:

- Easy installation
- Pre-wired and fully assembled
- Fully programmable timer
- Three (3) load connections
