* Please specify the actual module to be mounted.

**Add 25% for the 130mph upgrade.

***Standard SPRs are supplied with stainless steel band clamps. The number in () after the price indicates the range of outside diameters that the standard band clamps will accommodate. Many other sizes are available.

OPTIONS:

- U-bolts instead of band clamps (pole diameter must be specified)
- Anodizing or powder-coating
- Heavy-duty band clamps for attaching to telephone poles or large diameter utility poles
- Designs for lag-bolting to wood poles
- Square-bend u-bolts for attaching to square poles
