

**UPS Style Enclosure** **260004**

UPS style enclosure targeted for battery backup system applications. NEMA3R rated, white powder-coated aluminum enclosures feature hinged, key lockable doors with dust covers on locks and gasketed door. Passive cooling ventilation. Three 1-1/2" electrical knockouts per side. Significant space for controls allows up to (16) customer load breakers, plus multiple battery chargers and/or controllers. Power Ready Express (PRE) Control Panels do not fit in UPS style enclosure.
