

RESILIENT REMOTE POWER, MADE QUICK & EASY

SunWize Power Ready Express (P.R.E.) systems combine the benefits of a custom-designed system and the convenience of a ready-to-ship pre-designed product that comes with everything you need to power an off grid load

This system utilizes the Morningstar PS-30 charge controller. The ProStar Charge Controller has been tested and proven in over two decades of use in the world's most demanding installations. That means it's a controller that you can trust with whatever load you need to power!

Benefits of purchasing a P.R.E. System include, easy-to-follow installation documentation, technical support, and a minimum 1-year manufacture warranty on the major component in the system.
