

Side of Pole Mounts for Large Format 60-Cell & 72-Cell 24V Modules

SunWize Power & Battery’s single and double large format mounts are based on the popular, reliable, cost-effective design of our small format SOP mounts. These adjustable tilt mounts feature a universal slotted pattern designed to fit most large format modules.

Supports either U-bolt or band-clamp mounting.

All SunWize brand mounts are made of aircraft grade structural members in heavy gauge mill-finish aluminum with stainless steel fasteners.

KEY FEATURES:

- Durable design
- Bolt together construction
- 1-Year Warranty
- *Certified 120MPH Wind Speeds per IBC 2018 & ASCE 7-16, Zones B & C

Technical Specifications

Module Qty.	1-Mod	2-Mod

Max Array Size	370W	740W
Tilt Range	25°-90°	25°-90°
*Max Wind Speed	120MPH	120MPH
Weight	30lbs	45lbs
4"-6" Pole	240002	240003
8"-10" Pole	240007	240008

Mount Accessory: Pole Bracing Kit

The Pole Bracing Kit is designed to stabilize large format side of pole mounts. It is ideal for use in large snow loads, areas with wind gusts greater than 75mph, and locations with steady high winds greater than 40mph. The kit comes with two aluminum brackets, two steel cables, and cable tightening hardware.
