

12-8D Cabinet Style Enclosure

260040

12-8D Cabinet style enclosure targeted for battery backup system applications. NEMA3R rated, white aluminum enclosure features a hinged gasketed door, with key lockable latches and dust cover on locks. It also features passive cooling ventilation, one 3/4" electrical knockout, and an optional flanged receptacle for generator back up power. 2 (16.12"X22.00") backplates allow space for controls, and allow space for up to (16) customer load breakers, plus multiple battery chargers and/or controllers. Power Ready Express (PRE) Control Panels do not fit in 12-8D Cabinet style enclosure.
