

EXCELLENT FEATURES, EXCELLENT PRICE

SunWize Power Ready Express (P.R.E.) systems combine the benefits of a custom-designed system and the convenience of a ready-to-ship pre-designed product that comes with everything you need to power an off grid load

This system utilizes the Solisto Sol-30-NC charge controller, because of its exceptional balance of features, build quality and price. Additionally, this system comes with Solisto AGM batteries. These batteries are perfect for solar because they are designed for deep discharge, and they are backed by a 12 month warranty from SunWize

Benefits of purchasing a P.R.E. system include, easy-to-follow installation documentation, technical support, and a minimum 1-year manufacture warranty on the major component in the system.

To see if **270386** is the right system for you, check out the system sizing map on the next page of this document, or visit our website and use our [P.R.E. system sizing tool](#).
