EXAMPLES OF INDUSTRIES WE SERVE

AUTOMATION AND CONTROL  LIGHTING AND SIGNAGE  OIL AND GAS  TELECOMMUNICATIONS

TRANSPORTATION AND SAFETY  ENVIRONMENTAL MONITORING  WATER AND WASTEWATER  SECURITY AND SURVEILLANCE

UTILITIES  AGRICULTURE  CATHODIC PROTECTION  FAA RADIO TOWER LIGHTING

SEISMIC MONITORING  DEFENSE AND MILITARY  GOVERNMENT  ALERT SYSTEMS

RAILWAY  AIRPORT NOISE MONITORING  ROADSIDE DATA COLLECTION  DISASTER PREPAREDNESS

REMOTE IOT SOLUTIONS

YOUR SYSTEM STANDS ALONE. YOU DON’T HAVE TO.

View Our Capability Statement
**POWER BACK-UP SYSTEMS**
SunWize Power Online Systems are complete, integrated battery backup UPS systems designed for site loads requiring 12/24/48VDC or 110V–240V, 50Hz/60Hz AC voltage. These systems are custom designed to easily integrate with your equipment and to meet your exact system requirements and specifications. Designed to withstand harsh environments and provide reliable power for continuous power loads.

**STAND ALONE SOLAR**
SunWize stand-alone off-grid solar power systems are custom engineered to provide continuous and reliable power to remote site loads. These systems are custom designed based on the solar available at your location, and the power requirements of your load. They can be paired with any alternate power source such as a generator, wind turbine or fuel cell to create a hybrid power system.

**EXCLUSIVE PRODUCTS**
- **ENCLOSURES**
  SunWize Enclosures are enclosures we designed specifically to meet the needs of the off-grid industrial power market. We have several different lines of enclosures, from large ground-mounted cabinets to small pole-mounted enclosures.

- **SOLAR MODULES**
  The SunWize line of modules are high-quality solar modules selected to be the best combination of price, size, and reliability. We have modules ranging from 30W to 320W in size, and we offer modules with UL and C1D2 certifications.

- **SOLAR MOUNTS**
  The SunWize Side of Pole mounts are durable mounts designed to hold arrays ranging from 30W all the way to 1200W. Our mounts feature our patented easy mounting bracket, and are wind-rated up to 115 MPH.

- **CONTROL PANELS**
  SunWize Power & Battery delivers you assembled control panels designed to make installation quick and easy. Our standard control panels come with wire, breakers, terminal blocks, and a charge controller.

- **BATTERIES**
  - Solisto
  - Concorde VRLA-AGM
  - Rolls VRLA-AGM
  - UPG VRLA-AGM
  - Outback Power VRLA-AGM
  - MK-DEKA Unigy II VRLA-AGM
  - MK-DEKA VRLA-AGM
  - MK-DEKA VRLA-Gel
  - General Flooded
  - General Advanced Chemistries
  - Battery Interconnect Cables

- **CHARGE CONTROLLERS**
  - Charge Controllers - Solisto
  - Charge Controllers - Morningstar
  - Charge Controllers - Phocos
  - Charge Controllers - Outback Power
  - Charge Controllers - Specialty Concepts

- **SOLAR MOUNTS**
  - Mounts - SunWize Power
  - Mounts - Tamarack Solar
  - Mounts - Solar Rackworks
  - Mounts - SolarTech

- **INVERTER CHARGERS**
  - Inverter Chargers (12VDC Battery Bank), 120VAC
  - Inverter Chargers (24VDC Battery Bank), 120VAC
  - Inverter Chargers (48VDC Battery Bank), 120VAC

- **CONVERTERS**
  - DC to DC Converters (12VDC Output)
  - DC to DC Converters (24VDC Output)
  - DC to DC Converters (48VDC Output)

- **INVERTERS**
  - DC to AC Inverters (12VDC Input), 120 VAC Output
  - DC to AC Inverters (24VDC Input), 120 VAC Output
  - DC to AC Inverters (48VDC Input), 120 VAC Output
  - DC to AC Inverter Accessories

- **POWER SUPPLIES**
  - POWER SUPPLY 120VAC TO 12VDC
  - POWER SUPPLY 120VAC TO 24VDC
  - POWER SUPPLY 120VAC TO 48VDC

**STAND ALONE SOLAR**
